

REMARKS

In paragraph 3 of the Action, the drawings were objected to because it is unclear if the prior drawing shown in Fig. 3 of the replacement drawings submitted on 11 March 2009 is intended to replace the Fig. 3 of the drawings submitted on 1 June 2005.

Figs. 1-3 filed on March 11, 2009 were explanation purpose only, NOT the replacement drawings. The original drawings filed on June 1, 2005 have not been changed at all.

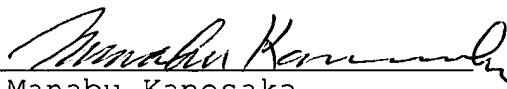

In paragraphs 5, 7 and 8 of the Action, claims 16-19 were rejected by cited references. However, in paragraph 9 of the Action, claims 10-15 were allowed.

In view of the rejections and indication of allowance, claims 16-19 have been canceled. Claim 10-15 allowed in the Action are only pending in the application.

Reconsideration and allowance are earnestly solicited.

Respectfully Submitted,

KANESAKA BERNER & PARTNERS
